Selva 4cl 40% 15

The aromatic enigma at the heart of G'Vine lies in the use of vine blossoms, a specimen both rare and complex to work with. The flower is ephemeral by nature, appearing for only a few days each year.

RON, RHUM, RUM

Ron Millonario XO 4cl 40% 34

Perú

It is a different rum since it is aged for up to 20 years in ex-Bourbon American oak barrels, then passing through ex-Tokaji Slovenian barrels and closing to round off with barrels that previously had Oloroso-type sherry. It was also slowly distilled with old stills to maintain the tropical and warm aromas.

Highly appreciated by experts and particularly popular among ladies, for its softness and delicacy. Aromatic mix of tropical fruits, along with hints of dried fruits and a spicy finish.

Dictador 20 YO 4cl 40% 16

Colombia

Combines the tradition of Colombian distilleries with an innovative design more characteristic of Europe and Japan. Based on the fermentation of sugar cane with virgin honey.

The quality of good Colombian rums is almost a secret. Very intense, dark amber with an aroma of chocolate, honey, vanilla, roasted coffee and touches of oak, however, the sensation is soft and pleasant.

Very smooth, broad, and tasty, with rich molasses, notes of vanilla and toffee caramel and a dry finish of oak wood, touches of quality almonds and walnuts, with long persistence.

Zacapa Royal 4cl 45% 68

Guatemala

The secret of Zacapa is a slow aging in the privacy of the cold lands of the Guatemalan plateau at 2,300 meters above sea level. This helps to slow down the aging process, which creates a final balance between the aromas and flavours extracted during the long process. Complex, generous and with a great body. There is depth of raisin and apricot fruit, which transports the flavours of oak, nutmeg, leather, and tobacco with notes of coffee and vanilla, which are balanced with a touch of spice.

COGNAC & ARMAGNAC

Cognac Park Cigar Blend 40% 35

The Fine Champagne Cognac appellation means that the blend comes from the two best areas of the Cognac region, the Grande and the Petite Champagne, with at least 50% of the grapes coming from the Grande Champagne. Since strong tobacco aromas can overload a fine cognac, this distillate ensures that the aroma and taste are fuller and richer. It starts with a combination of light and musky scents of honey, saffron and gingerbread mixed with fresh cranberries and vanilla. On the palate, these aromas combine to create a full-bodied cognac with a harmonious finish, subtle surprises and a long aftertaste.

Camus XO 40% 39

The XO blend is a perfect expression of the House of Camus' uncompromising quest for the most intensely aromatic cognacs. The culmination of advanced distillation, finishing and blending techniques developed over five generations of the same family, Camus XO is a cognac which truly evolves on the palate into a journey of emotions and sensations.

Bas Armagnac 1965 Baron Gaston Legrand 40% 95
